Welcome to Kelowna!

Do you live here? From where are you visiting?

Our city is on the beautiful Okanagan Lake. We are lucky to have many nice beaches, pretty mountains around us, and lots of fun things to do all year long!

You can colour some of the things for which Kelowna is known.

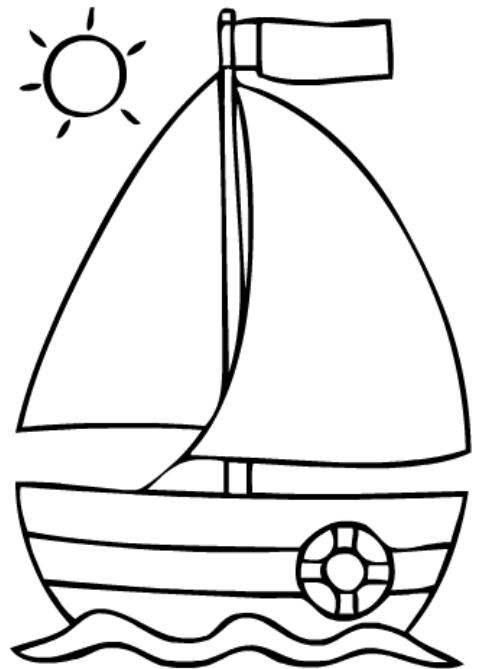

FRUIT - our city has hundreds of orchards full of apples, cherries, peaches, and more!

WINTER SPORTS - Kelowna is home to Big White Mountain where you can have lots of snowy fun!

ANIMALS - we're close to nature and share our city with deer, quail and other wildlife!

BOATING - locals are known to spend as much time as possible on the water sailing, wake surfing, or just hanging on the beach!

Use the back of this page to draw something from your town!

Thank-you for visiting us!
